

NABS 38th Meeting

February 15–20, 2020

Sun Valley, Idaho

Jointly Provided by: North American Burn Society and Missouri University

Purpose

The purpose of this program is to provide the dissemination of burn and wound care knowledge by multidisciplinary burn team members that is practical, current and relevant, that when put into practice will improve the quality of patient care. This symposium should be attended by all multidisciplinary members of the burn team.

CME Statement

The educational activity 38th Annual North American Burn Society (NABS) Conference scheduled for February 15-20, 2020, is eligible for category 1 CME credit, based on the application for CME credit received. This live program is designated for 12.1 AMA PRA Category 1 Credits. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Saturday Pre-conference Therapy Workshop with Bio Med Sciences

Instructors: Jon Niszcak, MS OTR/L BT-C & Michael Serghiou, OTR/L MBA BT-C

9:00 - 4:00 PM

Silver Creek

6:00 - 9:00 PM

Opening Reception

Silver Creek

Sponsored by a generous grant from Polarity TE

Sunday Morning CME Presentations 2/16/20

Moderator: Renata Fabia, MD PhD FACS

Silver Creek

- 7:15 - 7:30 Welcome & Coffee
Sigrid Blome-Eberwein, MD
- 7:15 - 8:30 **Keynote address:** After the Fire: Finding and Maximizing Your Resilience.
Lisa Deguire, Psy D
- 8:30 - 8:50 Minimally Invasive Burn Reconstruction with Subcutaneous Scar Release. **NABS scholarship winner**
Sophia Starner,
Sigrid Blome-Eberwein, MD
- 8:50 – 9:10 Evaluation of real world national and regional definitive closure trends in burn care: including health, economic outcomes with autologous skin cell suspension use.
Jeff Litt, DO FACS
- 9:10 - 9:30 A new burn gel improves the patient experience in face burn healing.
Cassandra Pinataro, CRP
- 9:30 - 9:50 Wrap Up and Evaluations

Afternoon Corporate Sessions (Non-CME)

Moderator: Jeff Litt, DO

Silver Creek

- 4:30 - 4:50 Polynovo -
Rosanna Delacruz
- 4:50 - 5:10 Medline Industries – Concentrated Surfactant Mechanism of action for Demarcation of Burn Injury
AJ Ford
- 5:10 - 5:30 Poly-Medics Innovations
Angela Price
- 5:30 - 5:50 Milliken
Katie Imber
- 5:50 – 6:10 AlloSource AlloSource & the Phoenix Society: Partners in Burn Care through Recovery
Caroline Westwood
- 6:10 – 6:30 Bio Med Sciences
Jon Niszcak, MS OTR/L BT-C
- 7:00 – Midnight **Group dinner/party @ the Argyros Center in Ketchum**
Live music-dancing-jugglers-stand up comedy – dining and more – included in your conference registration fee.
Guests are welcome: Adults \$50
21 and under \$25
Children 5 and under FREE

Monday Morning CME Presentations 2/17/10

Silver Creek

Moderator: Roselle Crombie, MD MPH

- 7:15 - 7:30 Welcome & Coffee
- 7:30 - 7:50 Design of a Prospective Multicenter Randomized Controlled Clinical Study to Investigate the Safety and Effectiveness of Autologous Skin Cell Suspension Combined With Meshed Autograft for Reduction of Donor Area in Soft Tissue Reconstruction. Andrew Quick, CTO
- 7:50 - 8:10 Pediatric Burn Sepsis: Need for a protocol. Renata Fabia, MD PhD FACS
- 8:10 - 8:30 Treatment of Donor Sites in Large TBSA Burn Injuries with an Autologous Skin Cell Suspension Supports Early Reharvesting. Kevin Foster, MD
- 8:30 - 8:50 Acute Burns and Traumatic Injuries Treated with a Single Application of an Autologous Homologous Skin Construct Yields Closure of Wounds with Full-Thickness Functionality. Melodie Blakely, DPT
- 8:50 - 9:10 A Novel Tissue Engineering Technique Effectively Closes Recalcitrant Wounds with a Single Application: A Large Midwestern Urban Trauma Center's Experience. William Abouhassan, MD
- 9:10 - 9:30 Why delay? Early Enteral Feeding in Pediatric Burn Patients Improves Outcomes
David Beesinger Scholarship winner Niti Shahi, MD
- 9:30 - 9:50 Auricular Splinting Following a Severe Facial Burn Injury and Reconstruction Lisa LePage, OTR/L
- 9:50 - 10:00 Wrap-up and Evaluations

Afternoon Corporate Sessions (Non-CME)

Silver Creek

Moderator: Steve Moulton, MD & Sigrid Blome-Eberwein, MD

- 4:30 - 6:30 Fireside Chat: Discussion of 3 Burn Cases - Participation of ALL Vendors
- 6:30 - 7:30 *Executive Board Meeting - Officers & Past Presidents of the Society*

Tuesday Morning CME Presentations 2/17/20

Moderator: Brett Hartman, MD

Silver Creek

7:15 - 7:30	Welcome & Coffee	
7:30 - 8:30	Keynote Address: Understanding the World of the Patient: The Roles of Demoralization and Hope.	Douglas Behan, DSW, LCSW
8:30 - 8:50	Edit Use of sprayed Autologous Skin Cell Suspension (ASCS) in Large Deep Partial Thickness Burn.	Joe A Olivi, MD FACS
8:50 - 9:10	Blister grafting for second degree burns – does it have a better outcome?	Cassandra Pinataro, CRP
9:10 - 9:30	Pneumatosis Intestinalis and ischemic enterocolitis in a pediatric patient with 32% TBSA.	Pamela Choi, MD
9:30 – 9:50	Car seat heater Burns	Debra Ann Reilly-Culver, MD
9:50 – 10:00	Wrap up and Evaluation	

Afternoon Corporate Sessions (Non-CME)

Moderator: Lucy Wibbenmeyer, MD

Silver Creek

4:00 - 4:20	Lumenis	Robb Cloyd
4:20 – 4:40	Polarity TE Recent Advances in Regenerative Wound Care and Company Overview	Joe Abdo, PhD
4:40 – 5:00	Avita Medical Regenerative Tissue Specialist	Courtney Hymel
5:00 – 5:20	Integra Life Sciences Primatrix and Integra R & D Advances in Burn	Benjamin Mintz, PhD
5:20 – 5:40	Vericel Early planning to expand treatment in the management of large burns with Epicel	Rachel Smith, RN
5:40 – 6:00	Medical Z	Emmanuel Beauchef
6:00 – 6:20	Direct Biologics	Bryan DeVaney
6:20 – 6:40	Mediwound DETECT Topline Data	Yaron Shoham, MD

Wednesday Morning CME Presentations 2/19/20

Moderator: Phillip Fidler, MD

Silver Creek

7:15 - 7:30 Welcome & Coffee

7:30 - 7:50 Compression Garments with Silicone Improve Hypertrophic Scars Compared to Compression Garments Alone: Retrospective Study.

Brett Hartman, MD

7:50 – 8:10 Biodegradable Dermal Matrix in Conjunction with Meshed and Sprayed Autologous Cell Suspension with a Vacuum Assisted Dressing Achieved Limb Salvage in a 73 year old with Deep full Thickness burns despite exposed tendon and bone.

Joe A Olivi, MD FACS

8:10 - 8:30 A Multidisciplinary Approach to Scar Management.

Deborah Boorse, CRNP

8:30 - 8:50 Delayed spinal cord injury from electrical burns: case reports.

Lucy Wibbenmeyer, MD

8:50 - 9:10 Operative Time and the effect on large surface area burns: does prolonged Operative time increase Complications in these already complex patients and is there an ideal, safe, operative duration?

Roselle Crombie, MD MPH

9:10 - 9:30 Bovine skin template and the rise of granulation.

Sigrid Blome-Eberwein, MD

9:30 - 9:50 Marjolin Ulcers in Hydradenitis Suppurativa: Case and Literature Review.

Philip Fidler, MD, FACS

9:50 – 10:00 Wrap up & evaluations

Afternoon Corporate Sessions (Non-CME)

Moderator: David Meagher, MD

Silver Creek

4:00 - 4:20 MidMedx

Matt Clough

4:20 - 4:40 Exsurco Medical

Mark Avery

4:40 - 5:00 Urgo Medical

Mark Fancher

5:00 - 5:20 Kerecis Clinical Observations of a Novel Fish Skin Graft in Reconstruction of a Complex Full-Thickness burn

Jon Starinski, DPM

5:30 – 6:30 Business Meeting - all attendees welcome

Thursday Morning CME Presentations 1/24/19

Moderator: Kevin Foster, MD

Silver Creek

8:15 -8:30 Welcome & Coffee

8:30- 8:50 Burn Out in Physical Therapy: Does it Exist?

Margaret Seiler Stolpen, PT

8:50 -9:10 The Hidden Scar: The prevalence and risk factors of delirium among major burn patients in Sarawak General Hospital

Lam Hui Yuan, MD

9:10 -9:30 Complex Burns require complex solutions.

Sigrid Blome-Eberwein, MD

9:30 – 9:50 The Use of Fish Skin in the Treatment of Pediatric Burns

John Starinski, DPM

10:15 Meeting Wrap up & Adjourn
